

30050 Village Park Dr
Chapel Hill, NC 27517

Updates/Improvements

- HVAC - Replaced upstairs unit with larger unit and zoned for new square footage
- New tankless water heater
- Refinished hardwood floors in whole house
- New paint in every room
- Added crown molding on first floor
- Custom built-ins in living room
- Designer lighting in foyer, dining room, kitchen, and living room
- Finished previous attic space into livable 3rd Floor, adding about 500 square feet of living space
- Renovated Kitchen (new appliances, marble counters, tile backsplash, new sinks and fixtures, painted cabinets and additional custom upper cabinetry, new hardware). We also added a 4-seat bar as well as a built-in breakfast nook.
